About Us

At Hope Christian Academy we believe that our relationship with Christ is the foundation for our relationships with others (Proverbs 16:7). Our rigorous program ensures that students receive the wisdom of the past from God's point of view and are trained in the way they should go (Proverbs 22:6). Our hope is that with a firm foundation from which to evaluate the present and prepare for the future, students will be more equipped to fulfill God's perfect plan for their lives as citizens of their communities and the world.

Our Mission

To glorify God by providing a comprehensive, academically excellent, Christ-centered education in a fun, safe and supportive environment.

Our Vision

To build strong, successful relationships between parents, faculty, and students that foster a pleasant, cooperative and spiritually enriched learning experience.

Our Commitment

To create a progressive environment that engages students in activities that promotes individual growth while reinforcing the importance of team work. As a competitive Christian school, we are committed to excellence. To this end, we challenge students to strive for academic excellence as life-long learners; introduce exercises that promote and develop critical thinking skills; allow students to explore their creativity and develop an appreciation for the Arts, and encourage students to demonstrate compassion and sensitivity towards others. We further commit to helping students increase their awareness and concern for people of other cultures.
